2021 NAPA VALLEY CABERNET SAUVIGNON

JEB DUNNUCK 93 pts

The 2021 Cabernet Sauvignon Napa Valley has a slightly darker, more concentrated profile, giving up plenty of blackcurrants, scorched earth, and tobacco notes, with nicely integrated oak. Medium to full-bodied and concentrated, with ripe, velvety tannins, this voluptuous yet still focused and nicely structured Cabernet will keep for a solid 10-12 years.

"This 100% Cabernet Sauvignon is fermented in open-top stainless steel tanks and then aged in (75% new) French oak for 14 months. Possessing bravado with a focus of blackberry freshness and mocha. Dusty, plum skin tannins ride side saddle with dense notes of leather and tobacco. It's yippee ki yay on the palate with a juicy, yet muscular profile."
